

Section 4507 of the 1997 Balanced Budget Act allows a physician or practitioner to enter a private contract with a Medicare beneficiary.

WHY A SPECIAL CONTRACT?

I have not been excluded from providing medical services under Social Security Act Medicare (including sections 1128, 1156, 1892, CFR § 405, subpart D. All Doctors at Inland Oral Surgery (Dr. Gailey, Dr. Diamond & Dr. Baird) have chosen to separate themselves ("opt out") from Medicare. Affidavits signed after June 16th, 2015, opt-out providers automatically renew every two-year period. Because they are opted out, Medicare requires that you sign a private-pay medical services contract before they treat you.

WHO PAYS FOR SERVICES?

You pay the bill. You will have to use your own money to pay the ENTIRE cost of the services.

ARE THERE CHARGE LIMITS?

No, Medicare charge limits DO NOT apply to products or services you receive from Inland Oral Surgery through this private-pay medical services contract. We are able to charge you the amount of our company fee schedule.

WILL MEDICARE HELP PAY?

No, Medicare will NOT help pay your bill. Because we separated from Medicare, it is against the rules for you to send a bill to Medicare for Inland Oral Surgery's services or ask to send the bill to Medicare for you.

BUT ISN'T THIS A MEDICARE-COVERED SERVICE?

Yes and no. Yes, Medicare would pay for the same service from a provider who is connected to Medicare. No, Medicare won't pay because we have separated ourselves from Medicare.

WHAT OPTIONS DO I HAVE?

You have the right to get your product or service from a provider connected to Medicare or from Inland Oral Surgery, a provider (s) separated from Medicare. Even if you get your product or service from Inland Oral Surgery, you can always get products and services from providers connected to Medicare. These providers are not required to have you sign private-pay medical services contracts.

WHAT IF I AM HAVING A MEDICAL EMERGENCY?

This contract does NOT cover emergency or urgent care services. It is against Medicare rules for Inland Oral Surgery to have you sign a private pay medical services contract for emergency or urgent medical services.

WILL MY MEDIGAP OR OTHER SUPPLEMENTAL PLAN HELP PAY?

No, Medigap plans WILL NOT help pay for products or services you get from Inland Oral Surgery. If you have some other medical insurance plan, it MIGHT NOT help pay your bill either.

WHAT ELSE DO I NEED TO DO?

If you decide to sign this contract, note that all providers at Inland Oral Surgery have also signed the contract. It is important you get a copy of the contract to keep. This way you will have a copy to look at if you have any questions about the contract in the future.

WILL CMS GET A COPY OF THE CONTRACT?

Inland Oral Surgery, the provider (s), will supply a copy of this contract in the event CMS requests a copy.
